WELCOME TO STEALTH TRAILERS

Since our founding in 2008 Stealth Trailers has become the value and volume and quality leader in enclosed cargo trailers throughout the Midwest and beyond. From our inception, Stealth has been an innovator in the crowded cargo trailer space. Beginning with our first, cutting-edge, signature slant-wedge aerodynamic profile, now copied throughout the industry, Stealth Trailers were destined to be different.

The difference starts with providing our customers more value—never an overused word at Stealth—we understand that when you're

spending your hard-earned money, value is at the very top of your purchase priority.

We're committed to quality, innovation, smart use of the finest materials and great products sold through our professional dealer network.

Stealth Trailer brands are like no other. The Titan, Predator, Liberty and Raptor are established as uncompromised model brands—copied but never matched by our competition.

STEALTH TRAILERS CORE VALUES

1. We aspire to be the best.
2. We have credibility through communication.
3. We foster a team-first environment.
4. Enjoy the journey and make friends along the way.

LIBERTY SE

The Liberty SE is anything but an entry-level cargo trailer. With its round roof and slightly rounded front-end, it's a classic package with the benefits of modern materials.

LIBERTY SE

|| *mustang* || SE

Some would call the Stealth Mustang an "entry-level" trailer because of its price. But we've value packed the Mustang with so many added standard features it makes this cargo series a top seller.

Compare the Stealth SE models with our competition feature-for-feature and you'll see that these two Stealth fighters look good, have rugged construction, and are backed by the industry leader—Stealth Trailers.

PHANTOM I PHANTOM II

The Phantom series trailers are a superior quality, affordable, aluminum-framed open trailer for a variety of hauling. Whether it's a lawn tractor and you need an agile utility trailer, or you're headed out with an automobile or UTV, Stealth has been manufacturing better looking, more functional and longer lasting open (utility) trailers from the start.

PHANTOM I

The Phantom I series is designated as our open auto hauler line. Lengths available include 18, 20, and 22-foot models.

Tie-downs, side ramps, or flooring options are available to meet your needs. Trust your auto hauling to Stealth's reputation for quality.

*Shown with Phantom II Package

PHANTOM II

Great looks and function without the high price of some smaller all-aluminum open trailers is the signature of the Phantom II.

Phantom II models are designed for a variety of rugged hauling uses. Sturdy construction, lightweight and easy to tow, Stealth provides a 3-year warranty to keep you hauling with peace of mind.

OPTIONAL EQUIPMENT

ROOF LADDER RACK - Welded, tubular aluminum ladder racks come in a variety of sizes to accommodate any size trailer or load.

FRONT DECK WITH LADDER - This sturdy front deck with ladder provides easy access to roof ladder racks—safer and more convenient.

SPARE TIRE MOUNT - Always handy, this spare tire mount keeps a full sized tire ready for repair.

CUSTOM WHEELS AND TIRES - Option for a variety of custom wheels and tire sizes to meet your style and utility demands.

EXTENDED TUBE TONGUE - Tongue extensions are available to accommodate specialty tow vehicles.

OPTION THE PERFECT COUPLER - Choose from Pintle-eye, Bull Dog, Demco and adjustable couplers to meet your service demands.

OPTIONAL EQUIPMENT

CUSTOM SIDEWALLS - This mobile medical trailer features clear Lexan sidewalls to allow for ambient light. Talk to your Stealth dealer about custom sidewalls.

RAMP DOORS - Stealth engineers a ramp door to meet your needs—work or play.

CONCESSIONS VENDOR WINDOWS - Sliding, automotive glass concession/vendor windows are available in a variety of sizes with or without screens.

GENERATOR DOORS - Lockable generator doors give shelter and security for on-board power with ample ventilation.

ROOFTOP ESCAPE HATCH - This escape hatch comes with a quick release push and optional aluminum ladder. The hatch also serves as a skylight and operable air vent.

DOUBLE SIDE-ENTRY DOORS - Double-side entry doors expand the access to the interior of your trailer 120" or more if needed.

OPTIONAL EQUIPMENT

MARQUEE DOORS WITH PIES - Optimum foot traffic and maximum sign space makes your Stealth Trailer a traveling moneymaker. Swing-up doors with pies lock easily and solidly in place.

ROLL UP DOOR - This multi-panel, track-mounted roll-up door combines the ease of spring-assisted action, with Stealth construction and durability.

ENCLOSED LANDING GEAR COMPARTMENT WITH ATP - Our ATP-faced landing gear compartment with flush lock latches and baggage doors are a perfect place for tools, baggage and emergency road equipment.

RECESSED TIRE COMPARTMENT - Large enough for a full-size spare trimmed to match trailer floor.

FUEL DOORS - Fuel doors are a common option for snowmobile, ATV, motorcycle and landscape trailers, fuel doors make re-fueling easy.

CUSTOM ALUMINUM CABINERY - Stealth custom cabinetry is available in dozens of configurations for mechanics shops to mobile office space.

OPTIONAL EQUIPMENT

BASEBOARD HEATING SYSTEM - A must for the year-round roving workshop. The self-contained unit comes with an optional adjustable thermostat control or wall-mount thermostat.

CUSTOM FLOORING - Choose from a variety of custom flooring materials that include checkered flag vinyl, or non-skid ATP plating (ramp-over wheel wells shown here)... and more.

CUSTOM INTERIORS - Choose a combination that provides the best environment for your work or play needs.

ROOF AIR CONDITIONING - This roof mounted air-conditioning unit has directional vents, variable temperature knob, and three-position cool and fan.

TRANSLUCENT ROOFING- An easy solution to light inside of the trailer during the working day—a common option for enclosed construction and landscape trailers.

EGRESS WINDOWS - Egress windows are perfect for both ventilation and meeting code for trailers with sleeping accommodations.

OPTIONAL EQUIPMENT

ALUMINUM DIRECTIONAL VENT - Ventilation is an important safety and health consideration. This all aluminum 2-way sidewall vent allows you to control airflow.

MAXAIR VENT- Choose this vent cover to prevent leaks and leave open while driving.

POWERED ROOF VENT - Our roof vents feature a hand crank and come powered with full screen and translucent cover.

PASSIVE ROOF VENT - These vents can be configured to scoop or draw air into the trailer and include crank handles and screens.

E-TRACK WALL & FLOOR TIE DOWNS - Flush-mount E-Track tie-downs are mounted to any point that you specify on the interior wall or floor of your trailer.

D-RING WALL & FLOOR TIE DOWNS - Both floor and wall D-Ring tie-downs use a hinged ring design that folds out of the way when not in use.

OPTIONAL EQUIPMENT

HEAVY DUTY JACK - This fixed-mount heavy duty jack is installed to take the maximum load on its oversized foot.

5,000 LB SCISSOR JACKS - Steady footing; optimal weight distribution and an extended crank handle all come with this heavy-duty accessory.

12-VOLT POWERED TONGUE JACK - This power jack makes hooking up to heavy-trailers as easy as the push of a button.

12-VOLT POWER WINCH - Add this 12-volt powered winch system to the floor of your transporter for maximum safety when handling valuable cars and heavy equipment.

MOTORCYCLE WHEEL CHOCKS - Wheel chocks are easily removable—opt for the flush-mounted in-floor steel models. Condor Chocks also available.

AUXILIARY OUTLETS - Stealth can customize wiring with hookups and outlets to provide the service you prefer.

OPTIONAL EQUIPMENT

ELECTRICAL OUTLETS - Have your trailer custom wired to your specifications. Choose from 110V, 110V interior and exterior GFIs, USB and 15, 30 or 50 Amp shore power.

EXTERIOR LIGHTING - From powerful halogen floods, to our two types of high-efficiency scene lighting.

INTERIOR LIGHTING - Interior LED lighting options include domes, strips and diffused fixtures.

ELECTRICAL SERVICE - Choose from 15, 30, 50 Amp service with a wide array of lighting and power outlets. Shown here, a 45 Amp RV service to handle accessories.

POWER OR MANUAL AWNINGS - Optional awnings, available in 8' to 25', maximize your comfort outside—work or play.

GENERATORS - Order your Cummins/Onan generator from Stealth in gas, LP or diesel in a wide variety of power choices.

EXPLICIT WARRANTY EXCLUSIONS - ITEMS NOT COVERED BY LIMITED WARRANTY

1. Deterioration of paint and appearance due to use and exposure.
2. Tow Vehicle wear, wiring and improper hitch usage.
3. Damage caused by loose screws, nuts, lug nuts and bolts. It is the owner's responsibility to maintain proper tightness.
4. Damage or deterioration caused by salt, road grime, normal wear and tear, application of or exposure to corrosive chemicals, other corrosive materials (including, but without limitation, magnesium chloride or calcium chloride), or arising from an accident or use of the product. Stealth Trailers reserves the right to test individual parts for exposure to these materials; these materials are extremely corrosive to all metals. Damages arising from exposure to them is not covered by this warranty.
5. Damage caused by misuse, overloading, negligence, alteration or failure to provide necessary repairs and maintenance on an "as needed" basis.
6. Stealth Trailers will not pay for lost revenue, cost of cargo, rental of substitute equipment, towing charges, cost of service calls, cost related to delivering trailer to dealer or Stealth Trailers for warranty repairs or cost of work done by others or inconvenience.
7. Stealth Trailers will not be responsible for any aftermarket accessories, graphics, company logos, or any artwork that has been added to the interior or exterior of trailer.
8. This warranty will be voided by any repair or modification to the trailer, or addition of accessories to the trailer by anyone other than Stealth Trailers or an authorized Stealth dealer. The manufacturer will not be responsible for work performed by a non-Stealth dealer or service center, unless manufacturer gives prior written authorization.

ANY EXPRESS WARRANTY NOT PROVIDED HEREIN, AND ANY REMEDY FOR BREACH OF CONTRACT WHICH BUT FOR THIS PROVISION MIGHT ARISE BY IMPLICATION OR OPERATION OF LAW, IS HEREBY EXCLUDED AND DISCLAIMED. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR ANY PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO A TERM OF ONE (1) YEAR. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. UNDER NO CIRCUMSTANCES SHALL STEALTH TRAILERS BE LIABLE TO PURCHASER OR ANY OTHER PERSON FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER ARISING OUT OF BREACH OF WARRANTY OR BREACH OF CONTRACT. SOME STATES DO NOT ALLOW THE EXCLUSION LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE.

WARRANTY VALIDATION

A warranty registration card must be completed and signed by Purchaser at the time of retail sale and mailed direct to the factory within 10 days from the date of sale. This is a federal requirement. Failure to fill out the registration card and return it within the above period will automatically void the warranty. The warranty is nontransferable from the original owner.
